DRE FUZZ

EVOLVE, HUMAN, PLEASE, IS A PLEA. DRE FUZZ
USES FORM AND COLOUR TO REPRESENT TWO
EXTREMES, FLUID AND RIGID. THIS BINARY
SERVES AS A METAPHOR FOR THE SOCIOLOGICAL
THOUGHT PATTERNS THAT DEFINE AND MAINTAIN
SOCIAL STRUCTURES. DRE TREATS RIGIDITY AS
THE ANTAGONIST FOR SOCIAL COHESION AND
HARMONY WITHIN HUMANITY, AND ALTERNATIVELY
PROPOSES CONVERSATION BETWEEN DIVERSE
GROUPS IN ORDER TO OVERCOME SOCIAL
DIVISION AND SEGREGATION. DRE'S SEMI
3D CERAMIC WALL SCULPTURES CREATE A
RARE INTERSECTION BETWEEN CHALLENGING
SOCIAL COMMENTARY, DEEP SYMBOLISM, AND
BURSTS OF PLAYFUL COLOUR AND ANIMATED
COMPOSITIONS.
