

Linda Lee & Elizabeth Wojciak

Linda Lee and Elizabeth Wojciak have been sharing studios for 6 years before they joined Praxis Artspace Studios 8 years ago.

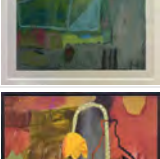

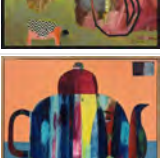

Sharing a studio has precipitated a desire to create a body of work in collaboration.

Their process was an ongoing visual dialogue, an exchange of ideas, conversations and experimentations. A variety of subject matters and motifs are woven through the works, they reflect on contracts of beauty and perceptions of identity from a female perspective. They strove to produce works that depicted their different painting styles synthesising to create unique pieces which are unified by the selected colour palettes.
